Jacynth launched her career as a nurse, midwife and health visitor becoming an Executive Director of Nursing. She found her true passion in developing people and organisations, supporting them to achieve their goals and aspirations.

Jacynth is currently Managing Director of two companies, Inspiring Hope and Jacynthivey.com. She is also an NHS Non-Executive Director, Governor of a University, and chair of an award-winning Charity.

Over many years, she has supported, national bodies, large corporate organisations, public sector organisations, charities, entrepreneurs, CEOs and senior leaders.

Jacynth enjoys inspiring others and is known for her expertise in coaching, facilitating, training, diversity, inclusion, organisational development and corporate culture transformation.

Please feel free to reach out for any questions.

## CLIENT FEEDBACK

"Jacynth is a truly inspiring woman whose intellect challenges the status quo and brings innovative and creative solutions to long-standing problems. Her resilience in the field of diversity and inclusion is palpable.

She is insightful as a Board member; an excellent role model to others and a compassionate leader. I cannot recommend her highly enough."

***Director, England and Wales Cricket Board***

"Jacynth has worked with me in a coaching capacity for three years. Her coaching approach is through curious inquiry which allows me to question and reflect on my practice to enable a positive change.

Her coaching has enabled me to seek out clearer direction on Programmes that I manage and finally support me on my career journey."

***National Programme Lead. Health Education England***
